

## MID SEMESTER EXAM TIME TABLE ( SEM –V) WINTER 2021

Date & Time	Auto (02)	Chemical (05)	Civil (06)	Computer (07)	Electrical (09)	EC (11)	IT (16)	IC (17)	Mechanical (19)	Mechatronics (20)
21/09/2021 12:00 PM	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004	Contributor Personality Development Program 3150004
22/09/2021 12:00 PM	Heat Transfer 3151909	Mass Transfer Operations I 3150501	Concrete Technology 3150610	Analysis and Design of Algorithms 3150703	Electrical Machine- II 3150910	Analog and Digital Communication 3151104	Analysis and Design of Algorithms 3150703	Process Control 3151705	Heat Transfer 3151909	Electro Mechanical Energy Conversion 3152001
23/09/2021 12:00 PM	Dynamics of Machinery 3151911	Instrumentation and Process Control 3150504	Transportation Engineering 3150611	Computer Networks 3150710 / Object Oriented Programming -I 3140705	Power System- II 3150911	VLSI Design 3151105	Computer Networks 3150710 / Object Oriented Programming -I 3140705	Microcontroller and Interfacing 3151707	Dynamics of Machinery 3151911	Manufacturing Technology 3152007
24/09/2021 12:00 PM	Oil Hydraulics And Pneumatics 3151913	Chemical Process Plant Design & Economics 3150506	Design of Structures 3150612	Professional ethics 3150709	Professional Ethics 3150709	Principles of Management 3151103	Professional ethics 3150709	Measurement in industry 3151708	Oil Hydraulics And Pneumatics 3151913	Production Optimization Techniques 3152008
25/09/2021 12:00 PM	Transport Management and Laws 3150209	Energy Technology 3150507	Remote Sensing and GIS 3150617	Python for Data Science 3150713 / Cyber Security 3150714	Signals and Systems 3150912	Industrial Automation 3151109	Cyber Security 3150714 / Data Science 3151608	Building Automation 3151711	Manufacturing Technology 3151912	Computer Networking for Mechatronics Engineers 3152011
27/09/2021 12:00 PM	Automobile Engines 3150210	Mechanical Operations 3150502	Pavement Design and Highway construction 3150613 / Structural analysis-II 3150614	Software Engineering 3150711 / Computer Graphics 3150712	Disaster Management 3150913	Power Electronics 3151106	Web Development 3151606	Process Instrumentation 3151709	Operation Research 3151910	Automobile Engineering 3152009

- (1) Must login 5 minutes before schedule time.
- (2) Exam Duration Max time 50 minutes.
- (3) After completion of exam time you are not able to submit you online form, so **you are ABSENT** for that particular subject.
- (4) Exam Mode is Online Descriptive.
- (5) Must require Front camera / web camera in Laptop / Desktop / Mobile.

**Examination Department**
